

SIZEGUIDE

- 1.** Please print this guide (don't select fit to page) on an A4 sheet and cut along the outer edge of the dashed line, place your finger in the wholes to find the best fit, alternatively use a ring of the right size and place it on the dashed line.
Please always refer to the outer edge of the dashed line!!
- 2.** Please use the round size guides for the following SOSTILLA models: Berg, Ohh Bunny, Amboss, Rockring and any other stone rings.
Please use the squared size guides for the following SOSTILLA models: Modul and any other squared ring
- 3.** Once you find your size, please contact us via email and communicate your size and we can start to create your unique sculpture ring.
